Sample Sentences

Apartments

Lead Apartments are better than houses for three reasons.

Reason 1 First, apartments are smaller than houses. They are just right for people who do not want to spend all day cleaning.

Reason 2 Second, if something breaks down in your rental apartment, do not worry! The landlord will fix or replace it.

Reason 3 Lastly, it is easy to make friends with your neighbors in an apartment building. They will often greet you when you get back home from work or school. They will even greet your dog!

My Opinion

Actually, I prefer living in a house. I feel free to do whatever I like in my own house. Once, we painted the bedroom yellow, the living room blue, and the kitchen red! I am not kidding! It was beautiful!
